## PGA ACCESS

---

PGA ACCESS delivers a simple, cost-efficient corporate golf participation program that is impactful and fully customizable to meet client entertainment, sales incentive and team building needs. The PGA of America has joined forces with **TOURGOLF**, a corporate golf hospitality company with over 10 years of history providing unique golf experiences for companies of all sizes to help win more business on the golf course.

Golf is the sport of business and PGA ACCESS is the ideal platform to build stronger relationships with key customers. PGA ACCESS is exclusive to PGA Patrons, Partners and Hospitality Buyers and offers corporate membership programs that provide access to three powerful premier golf services:

---

### PRIVATE CLUB PASS

#### **"MEMBER FOR THE DAY" ACCESS TO PRIVATE GOLF CLUBS**

PGA ACCESS provides unaccompanied playing privileges at the most extensive network of premier golf facilities throughout the country. With a dedicated golf concierge at your service 7 days a week, 365 days a year, PGA ACCESS makes it easy to schedule quality time with clients through these memorable golf experiences.

---

### FLEX EVENTS

#### **CUSTOMIZED SMALL GROUP OUTINGS AT PRIVATE GOLF CLUBS**

PGA ACCESS offers the freedom to create the ultimate private golf event. FLEX Events are customizable and PGA ACCESS can make events happen when and where others cannot. Small group outings provide a more intimate and elegant experience that creates greater impact, delivers a stronger ROI, and are cost-efficient.

---

### RESERVE SERIES

#### **THE FINEST SERIES OF GOLF EVENTS IN THE WORLD**

PGA ACCESS will include a series of extraordinary single-day "member/guest" format events hosted at premier facilities. The breadth of this schedule along with the ability to select events in geographic regions that are convenient to top clients and prospects can prove to be an incredibly powerful business entertainment tool for PGA Partners.
